

WSPOS SECTION IN JOURNAL OF OPHTHALMIC RESEARCH

WSPOS is happy to announce that we will now have a dedicated section within the Journal of Ophthalmic Research (OREC). While Professor Paulo Nucci (from Italy) will be the section editor, Dr. Eduardo Silva (from Portugal) will be the WSPOS Representative on the OREC Editorial Board.

WSPOS is creating a Bank of Reviewers; we aim at having 200 reviewers for our section. Don't worry if you've never reviewed an article before, we will give you a buddy to help you review. Please send an email with your résumé to admin@wspos.org with the Subject line 'WSPOS - OREC Reviewer' if you'd like to join us as a WSPOS - OREC Reviewer.
