*Dear Executive Bureau
World Society of Paediatric
Ophthalmology and Strabismus (W.S.P.O.S.)
Present*

The Argentine Council of Strabismus (CAE) together with the Argentine Society of Childhood Ophthalmology (SAOI) will celebrate the **VII Annual CAE - SAOI Congress**, which will be held from **November 15 to 18, 2023**, at the [Hotel Altos de la Viña](#), in **San Salvador de Jujuy, Jujuy Province - Argentina**.

We are working on an ambitious scientific program, with more than 4000 minutes between conferences and symposiums, with the aim of training, discussing experiences and updates in the specialty to define joint actions to improve the care of our patients.

Our annual joint meetings take place in different cities of Argentina, for example, in 2022 the city of Mendoza was chosen and 350 national and international professionals attended. This year, Jujuy is the protagonist, for its natural beauties such as [Salinas Grandes](#), [Quebrada de Humahuaca](#), [Purmamarca](#), [Termas de Reyes](#) and many other natural attractions, but without forgetting the beautiful handicrafts, its tasty and native gastronomy, which can be purchased in the warm and colorful markets of each town in this beautiful northern province.

We would like to invite you and the members of the institution you preside to attend the event. Unfortunately, the current financial situation of the country does not allow us to pay you, registration or travel expenses, so we offer that your registration is within the category CAE/SAOI. Registration link: https://intercongress-latam.com/Inscripciones_Web/2023/cae-saoi/

We are convinced that these meetings are very enriching, we hope to have the participation of *all to share and enjoy one of the most beautiful landscapes of our country*.

Yours faithfully.
